Item 8.01. Other Events

On February 23, 2024, Applied Digital Corporation (the "Company") began re-energizing its Garden City facility which was de-energized on February 14, 2024 to safely accommodate Wind Energy Transmission of Texas's maintenance work on a nearby switching station as previously disclosed. No electrical work was required or performed at the Company's facility. The Company currently estimates that the impact of this downtime on the Company's revenues will be material for the quarter ending February 29, 2024. The outage had no impact on our HPC hosting datacenters under construction, which are being designed to provide higher levels of availability in accordance with industry standards. The outage also had no impact on our Cloud services business as those services are provided using third-party facilities.
